WORK EXPERIENCE

Registered Nurse

Staten Island University Hospital - Maternity

April 2018 - current / Staten Island, NY

- Assisted in delivery of 120+ newborns in one of the largest hospitals in Staten Island
- Performed tests on newborns after birth to ensure well-being
- Worked closely with parents to provide instructions on caring for their newborn outside of the hospital, responding to messages within 2 hours
- Performed triage for children born in adverse conditions
- Ensured 100% HIPPA compliance of entire nursing staff through regular education and seminars

Registered Nurse

Staten Island University Hospital - NICU

August 2015 - April 2018 / Staten Island, NY

- Worked with newborns in NICU, providing care to assist in moving 86% newborns out of NICU within 3 days
- Built trust with parents, updating them 2-3 times per day on the care issued to their children
- Oversaw care for over 10 newborns on any given shift
- Provided detailed instructions to parents to ensure proper care for newborns after their discharge from the NICU

Registered Nurse

Dr. Angela Lamb Dermatology

August 2012 - August 2015 / New York, NY

- Administered primary care and assessments for outpatient procedures at the dermatology practice
- Educated 6-7 patients per day, and provided instructions for post-op care
- Worked closely with Dr. Lamb to provide plan-of-care for burn victims to ensure mental and physical well-being
- Assessed patient vitals, and performed about 3 blood draws for lab work each shift
